# CENTRAL AIR TUNE-UP INCENTIVE PROGRAM

**A spring inspection and tune-up** of your central air conditioner unit can improve its efficiency and increase its life span. Without regular cleaning and maintenance, an air conditioner can lose up to 5% of its original efficiency for each year of operation.

Independence Light & Power, Telecommunications offers cash incentives to encourage regular inspection and maintenance of central air conditioners. If you are a homeowner or business owner with a central air conditioner, you may be eligible for up to \$25 toward a professional service inspection and tune-up.

## HOW TO APPLY:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions and complete the incentive application.
2. To guarantee there will be incentive money available for your tune-up, call us at (319) 332-0100.
3. Attach the original sales receipt or paid invoice from a professional heating and cooling inspection and tune-up service. The receipt or inspection documentation must indicate the date of service, dealer name and address, an itemized list of service checkpoints, and any repair recommendations.

### Drop off your completed application at our office or mail it to:

Independence Light & Power, Telecommunications  
PO Box 754, Independence, Iowa 50644

## ELIGIBILITY

The Central Air Tune-Up Discount Program is available to residential and business customers with a valid Independence Light & Power, Telecommunications electric account.

Only central air conditioning units of 5 tons or less that have not had a tune-up within the last three years are eligible.

To receive a \$25 bill credit, a tune-up of the central air conditioner must be performed by a professional service technician and include the following 12-point inspection:

- Check and clean condensing unit coils
- Check wiring and connections
- Check coolant level
- Check system operating pressures and temperatures against manufacturers specification
- Check condensate pump and drain line
- Check thermostat
- Inspect air filter and replace if necessary
- Check compressor contacts
- Check belts and drives
- Clean and adjust controls
- Lubricate moving parts and clean indoor fan
- Check voltage

In no case will Independence Light & Power, Telecommunications pay more than 100% of the actual purchase price of the central air conditioner inspection and tune-up.

## 12-POINT INSPECTION AND TUNE-UP:

- Check and clean condensing unit coils
- Check wiring and connections
- Check coolant level
- Check system operating pressures and temperatures
- Check condensate pump and drain line
- Check thermostat
- Inspect air filter and replace if necessary
- Check compressor contacts
- Check belts and drives
- Clean and adjust controls
- Lubricate moving parts and clean indoor fan
- Check voltage

## CERTIFICATION AND AGREEMENT:

I understand that this offer provides a \$25 incentive for the inspection and tune-up of central air conditioners no larger than 5 tons at residences or businesses currently receiving electricity on a retail basis from Independence Light & Power, Telecommunications. Qualifying inspections and tune-ups must include all items listed in the 12-point checklist above and must be performed by a professional heating and cooling service technician.

I agree that Independence Light & Power, Telecommunications reserves the right to verify sales receipts before issuing incentives.

I agree that Independence Light & Power, Telecommunications does not guarantee that the central air conditioner inspection and tune-up or the implementation of any energy efficiency described in this application will result in energy cost savings. Independence Light & Power, Telecommunications makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall Independence Light & Power, Telecommunications be liable for any incidental or consequential damages.

I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application.
