

ELECTRIC FORKLIFTS

WORK SMARTER, SAFER AND CLEANER

Electric-powered forklift technology has improved. Independence Light & Power is now offering a **rebate of \$750** toward the purchase of Class 1 or Class 2 electric forklifts.

Forklift Classifications

Class 1 - Electric Motor Rider Trucks

These forklifts can be equipped with either cushion or pneumatic tires. They are very versatile and are found from the loading dock to the storage facility.

Class 2 - Electric Motor Narrow Aisle Trucks These forklifts are for companies that opt for very narrow aisle operation and include order pickers, high lift straddles, side loaders and turret trucks.

Rebate Eligibility Requirements

Purchase or lease (minimum of 3 years) of new equipment is required to get the \$750 rebate.

ELECTRIC FORKLIFT REBATE APPLICATION

Completed applications can be submitted to the utility office during normal business hours or placed in the drive-thru drop box after hours. Attach copy of purchase invoice. You must be an Independence Light & Power, Telecommunications customer to apply.
